

I Can't Sing

LaRue

I'm tired but I can't sleep
Cause when I'm awake
I'm daydreaming
About your lovely face
Just in case you haven't noticed
I'm not over you

I cant sing when you're away baby
I cant sing when you're away
I can't sing when you're away
I can't sing when you're away baby

We talked the other day
It's funny you didn't had much to say
Please leave a message after the beep
I didn't have much choice
I had to hear your voice

I cant sing when you're away baby
I cant sing when you're away
I can't sing when you're away
I can't sing when you're away baby

Some might call it desperate
Some might call it crazy
I just long to be with you
There in San Clement
I'm not over you
I'm not over you
I'm not over you
I'm not over you

I cant sing when you're away baby
I cant sing when you're away
I can't sing when you're away
I can't sing when you're away baby
