I close my eyes to take it in you've found me
I breathe your mercy once again

you are so holy i want to know you like you know me

## \*chorus\*

It's your love that makes me alive it's your love that makes me alive and i feel it everytime you're near to me you make my heart sing you're near to me you are my everything

I sing to you I bring to you all of me that you see
Im letting go all my
fears so

## \*chorus\*

It's your love that makes me alive it's your love that makes me alive and i feel it everytime you're near to me you make my heart sing you're near to me you are my everything

You are so holy
I want to
know you like you
know me
\*chorus\*
It's your love that makes me alive
it's your love that makes me alive
and i feel it everytime
you're near to me
you make my heart sing
you're near to me
you are my everything
