

Waiting Room

LaRue

Time after time, I find myself
Losing my mind, I have to remind myself
That this is just a waiting room
And we're waiting for Your love

Oh, everything will be alright
And everything will be OK
If I don't let this world carry me to sin, to sin, to
sin
(to sin to sin to sin)

Time after time, I find myself
Losing my mind, I have to remind myself
That this is just a waiting room
And we're waiting for Your love

And I don't understand how
We could be so blind not to see
The love that stands in front of
In front of you and me

Don't doubt He Loves You

Day after day, I find myself
Looking away, I have to remind myself
That You're there and I belong to You
(to you to you to you)

Day after day, I find myself
Looking away, I have to remind myself
That You're there and I belong to You
(to you to you to you)

Day after day, I find myself
Looking away, I have to remind myself
That You're there and I belong to You
(to you to you to you)

He loves me
He loves you, He loves you, He loves you, He loves me
He loves you, He loves you, He loves you, He loves me
(repeat and fade)
