

Here with me

Lasgo

I feel you next to me
You're all I need
In this life
You are the book I read
The truth I seek
To survive

The road ahead is dangerous
The future still unknown
But I am not alone

You are here with me
I know that's where you want to be
You're all I see
I don't need nobody else 'cause you

Are here with me
I know that's where you want to be
I feel so free
Just you and me together

I don't know what you do
But baby you
Make me feel
Something sensational
Incredible
And so unreal

The road ahead is dangerous
But we won't fall apart
I got you in my heart

You are here with me
I know that's where you want to be
You're all I see
I don't need nobody else 'cause you

Are here with me
I know that's where you want to be
I feel so free
Just you and me together
