

## Tell Me

Lasgo

I heard she broke your heart  
and you're too blind to see  
How foolish that you are  
instead of her you could have me

and maybe I'm a fool  
but I keep waiting for you  
I hope that you will see  
what you mean to me

So tell me baby  
How can I change your mind  
to leave that girl behind  
or am i waisting time?  
so tell me baby  
I heard she broke your heart  
And you're too blind to see  
how foolish that you are  
Instead of her you could have me

And maybe I'm a fool

Maybe I'm a fool  
but I keep waitying for you  
I hope that you will see  
what you mean to me

So tell me baby  
how can I change your mind  
to leave that girl behind  
or am I waisting time?  
So tell me baby!
