Tonight when someone hurts your feelings deep inside
Please don't care 'cause I will hold you tight

It's up to you tonight
It's up to you

Tonight when someone hurts your feelings deep inside
Please don't care 'cause I will hold you tight

It's up to you tonight
It's up to you

Tonight when someone hurts your feelings deep inside
Please don't care 'cause I will hold you tight

It's up to you tonight
It's up to you
