

All Will Break

Last Days Of April

right this way. i'll lead the way. don't be afraid. and don't y
ou tell. don't mind the dark. just close your eyes. don't be af
raid. i'll lead the way. i won't tell. won't be afraid. right a
fter you. just lead the way. i'll close my eyes. and let you le
ad. won't be afraid. and i won't tell. all this time. i've spen
t time on spending time with you. i've spent time on being boun
d for you. i was there for you. all will break. i swear that it
'll break. and no one told me it will break. so down we fall. f
all through it all. to reach for you. is to let you win
