Make Friends With Time

Last Days Of April

Time. thought I'd make friends with time. That's something that I would't mind. To make friends with time. Fear. whoever came too near.

Whoever made me feel like. I could love my whole life. It's only you. Arms. how I hate autumn arms.

Around my throat until I choke.
Breathe in and breathe out.
Night. when I trade day for night.
When everything seems alright.
I break through thin ice
