

Sound of Rain

Last Tribe

Lose, losing it all
It won't come back
The memories of a lost life
Feel, feeling it now
I wonder how it could
Vanish in the past

Hunt, hunting for truth
They must be here
The answers erased
From my mind
Refuse, refusing to die
There is still more to learn so
Much more to know

Saved by the rain
That drowns my sorrow
Reminding of the life that
I should have
I don't wanna waste
Any more time
I don't wanna lose
This faith of mine
Saved by the rain
That will protect us
Erasing all the lies that I ones had
I don't wanna fake this anymore
I just wanna up this door
To the sound of the rain

Try, trying to hard
To get it right
There can be no mistakes now
Born, reborn again
I will embrace the world

Saved by the rain
That drowns my sorrow
Reminding of the life that
I should have
I don't wanna waste
Any more time
I don't wanna lose
This faith of mine
Saved by the rain
That will protect us
Erasing all the lies that I ones had
I don't wanna fake this anymore
I just wanna up this door
To the sound of the rain

The rain is pouring down on me
Washes my world and let me see
A life beyond all pain and misery
The rain is hiding all my tears
Washes away all of my fears
I know that I will be...

Saved by the rain
That drowns my sorrow
Reminding of the life that
I should have
I don't wanna waste
Any more time
I don't wanna lose
This faith of mine
Saved by the rain
That will protect us
Erasing all the lies that I ones had
I don't wanna fake this anymore
I just wanna up this door
To the sound of the rain
