When I first saw you from afar, uh huh uh huh,  
You made me get up out my car, uh huh uh huh,  
I hopped out didnt even look both ways, uh uh uh uh,  
I couldn't even find the words to say, uh uh uh uh,  
When I got up to you I just laughed, uh huh uh huh,  
You smiled so I gave you my math baby, uh huh uh huh,  
Honestly I didn't think that you would call, uh uh uh uh,  
Though you took a while girl you proved me wrong.. Yeahhhh

After my heart was broken  
Girl it re-opened for me & you,  
(So now i believe in love)  
After my heart was broken  
Girl it re-opened for me & you.

We hit it off girl from the start, uh huh uh huh,  
Glad we aint waste time tryna front, uh huh uh huh,  
I told you baby don't worry about your past, uh uh uh uh,  
Girl i didnt even care to ask, uh uh uh uh,  
Wanted you so bad after our first date, uh huh uh huh,  
I respect you more that you made me wait, uh huh uh huh,  
Now i can't see living without you, uh uh uh uh,  
Never thought that I would love a new, uh uh uh uh.

After my heart was broken girl  
It re-opened for me & you.

Girl you healed my broken heart, la da da da, la da da da ah .

After my heart was broken girl  
It re-opened for me & you.
