Hold up  
What's up?  
Girl you got me wanting to give you some  
Hold up  
What's up  
Why you got me backed up on the most

Is it Prada or Gucci  
Jeans on your booty  
You looking like a star  
Straight out of a movie  
I just really think it's wicked  
How you move your body sicken  
I ain't even shy with it  
I'm tryna slide up with you, got me  
Wanting to take you home  
I'm in the pearl x5, sittin right outside  
Tell me, are you here alone  
I can tell that you with it  
If you with it, I can get it, come on

Girl  
You got it all sewed up  
Body bangin like what  
I just gotta give it up  
Girl  
Got it all sewed up  
I'm just saying what's up  
Can we get it started  
Girl  
You got it all sewed up  
Body bangin like what  
I just gotta give it up  
Girl  
Got it all sewed up  
I'm just saying what's up  
Can we leave this club

Let me see you shake it  
I know inside you naked  
Girl don't make me take it  
Come here, let me tell you

Let me know just what you sippin  
I'm make sure you be gettin it cuz  
If you get tipsy then I know  
What the evening looks like  
Take it easy with it  
I don't want you to just pass out  
Till you get home to my house  
Then we can both just pass out

Tell just what you want  
Want to dip but you shy  
I can see it in your eyes  
Say girl, I won't hurt you, no  
Girl you liking what you see

And I'm liking what I see, so come on

Girl

Body bangin like what

I just gotta give it up
