Sweet Misery

Yeah whats up with you girl?(all right all right) Its like i cant live wit you and i cant live without you

The love you give me is kinda hard to explain you put me soul at ease but at the same time you treat me pains Theres nothing funny about you baby but you still make me laugh We're compatible but its like we're they same

Your my sweet misery yeah i hate to admit it but your my everything the love you give me is like the perfect pain yeah the one i hate (yeah the one i love the one i blame

Your love is a dream but at the same time you could be like we're married get on me last nerve but i am lonely when your not there you get an attittude (how you gonna get an attitude?) when i go out at night but when you get mad at me its all right

cant live without you baby
but i cant live with you
yeah...
misery, misery
wow wow wow

your my sweet... misery i hate to admit it but...your my everything the love that you give me...is like the perfect pain yeah the one i hate the one i love the one i blame

everything inside of me..you got to be my sweet... misery no doubt in my mind your give me that sweet...misery yeah the one i hate the one i love the one i blame
