

## The Best Was Yet To Come

Laura Branigan

Just a small town girl in the city lights  
The best was yet to come  
Then lonely days turned to endless nights  
The best was yet to come  
How were you to know that you would be the lucky one  
Ain't it funny how time flies  
When the best is yet to come

You can cry yourself to sleep at night  
You can't change the things you've done  
You had it there then it slipped away  
You left the song unsung  
Even through your tears I never saw you come undone  
What's so good about goodbye  
When the best was yet to come

I find myself thinkin' about yesterday  
When you were here and livin' in a dream  
In the moment that it takes  
You find you made your first mistake  
Like the setting sun you turn around and it's gone

Just a small town girl who had it made  
Or so the story goes  
She had it there then it slipped away  
Oh - how was she to know  
Even through her tears I never saw her come undone  
Ain't it funny how time flies  
When the best is yet to come  
What's so good about goodbye  
When the best is yet to come
