

# The Lucky One

Laura Branigan

You  
can break away  
or you can stay  
You choose your life,  
you're free to fly  
Go on  
and fly  
Go on and fly  
She had it in her own time  
To get away  
and try to find  
Somewhere to go,  
to run  
She saw the world through open eyes  
And never let  
a soul inside  
Don't come too close,  
so close  
Baby thinks she's smart,  
but what about her heart?  
Like a wild bird of prey, like a thief in the night  
You can take what you want, and you don't think twice  
'cos the world's in your hands, you got all you want And you won't change a  
thing,  
you're the lucky one  
Oh, the lucky one  
Oh, the lucky one  
Her soul was strong, her heart was tough  
And when she felt she had enough  
She tore herself away Love in the dark is all you see Get what you want, not  
what you need  
You look the other way  
Never letting on to what it's all become  
Like a wild bird of prey,  
like a thief in the night  
You can take what you want, and you don't think twice  
'cos the world's in your hands, and you've got all you want  
And you won't change a thing, you're the lucky one Oh, the lucky one  
Oh, the lucky one

Life is a dream, the lucky one, the lucky one, the lucky one  
Oh,  
life is a dream, the lucky one  
Life is a dream, the lucky one, the lucky one

Baby thinks she's smart,  
but what about her heart?  
Like a wild bird of prey, like a thief in the night  
You can take what you want, and you don't think twice  
'cos the world's in your hands, and you've got all you want  
And you won't change a thing, you're the lucky one Oh, the lucky one  
Oh, the lucky one  
Oh, the lucky one  
Oh, the lucky one
