

Big Wheel

Laura Cantrell

I feel like a big wheel
I feel like a big wheel
I've gotta' roll,
I've gotta' cover a lotta' road,
I've gotta' go home.

I feel like an old freight train
I feel like an old freight train
I've gotta' roll,
I've gotta' shovel load of coal,
I've gotta' go home.

I feel like a big jet plane
I feel like a big jet plane
I've gotta' get in the sky,
I've gotta' give it up real high,
I've gotta fly.

I feel like a big wheel
I feel like a big wheel
I've gotta' roll,
I've gotta cover a lotta' road,
I've gotta go home.
I've gotta' roll,
I've gotta cover a lotta' road,
I've gotta go home.
I feel like a big wheel
