

# Big Wheel

Laura Cantrell

I feel like a big wheel  
I feel like a big wheel  
I've gotta' roll,  
I've gotta' cover a lotta' road,  
I've gotta' go home.

I feel like an old freight train  
I feel like an old freight train  
I've gotta' roll,  
I've gotta' shovel load of coal,  
I've gotta' go home.

I feel like a big jet plane  
I feel like a big jet plane  
I've gotta' get in the sky,  
I've gotta' give it up real high,  
I've gotta fly.

I feel like a big wheel  
I feel like a big wheel  
I've gotta' roll,  
I've gotta cover a lotta' road,  
I've gotta go home.  
I've gotta' roll,  
I've gotta cover a lotta' road,  
I've gotta go home.  
I feel like a big wheel
