

# Can't Be Love

Laura Izibor

They say love is supposed to set you free  
Give you wings to fly  
They say love is supposed to hold the key  
To life and eternity

Ba da ba da da ba da da

So when the party's over  
You suddenly get colder  
And I need someone to hold me tight  
And tell me everything is gonna be alright

Can't be love  
'cos I'm not free  
And it ain't enough  
I don't believe  
Oh, believe in love  
I don't believe in love  
I don't believe in love

They say love has all the answers  
To the questions  
Well baby, I'm still lost  
'cos I don't understand

Ba da ba da da ba da da

So you can tell me that you love me  
A thousand times  
But for you to show me  
You couldn't even if you tried

Can't be love  
'cos I'm not free  
And it ain't enough  
I don't believe  
Oh, believe in love  
Said, I don't believe in love  
Believe in love  
Oh, I don't believe in love  
Ohhh

On the outside  
I know that it would make sense  
On the inside, baby  
It feels strange  
You go your way  
I go my way  
'cos it can't be

Can't be love  
'cos I'm not free  
No, no, no  
And it ain't enough  
I don't believe  
No, no, no  
Can't be love

Yeah, yeah  
Can't be love  
No, no, no  
Can't be love  
Can't be love  
Ohh  
It can't be love
