

# I Don't Want You Back

Laura Izibor

Baby, baby you weren't calling  
And it's crazy, crazy to think that you're lonely  
You wanted time so I gave it  
Made up your mind now you change it  
You're never gonna learn  
And it's time to face it

Cos I don't want you back, no, no, no  
And I had all I wanted and I'm glad, ooh

Maybe, maybe, maybe, there was a time  
When I would've gave you, gave you, gave you, all my time  
But there's some things you can't take back  
Like all those things that you said  
You'll forget, but I'll remember what was said

Oh, oh, oh baby
