

# Ring

Laura Izibor

First in the morning in the last thing at night  
I try to get you off my mind but it's too hard to fight  
And who ever thought that you would be the one that do it to me  
Ah Ouuh Ouuh Ouuh baby  
Feelin' like a kid I've got to skippin' my walk  
I try to play it cool but I just hear myself talk  
About your loving and you kisses feels so good to me

Ah ouh ouh

Why don't you ring?  
Ring Ring A Ding Ding  
Sittin' by the phone anticipating  
If you only knew the pain you're puttin' me through  
Baby you would ring ring a ding ding

Is it so hard to just dialing my number?  
Just a message to say you're coming over  
Where Cupid got me feels like lightening and thunder  
And I can't help falling 'cause you ain't been calling no more  
(You ain't been calling no more) You ain't been calling no more  
(You ain't been calling no more) You ain't been calling no more  
Ouh

Why don't you ring?  
Ring Ring A Ding Ding  
Sittin' by the phone anticipating  
If you only knew the pain you're puttin' me through  
Baby you would ring ring a ding ding

Why don't you ring, ring, ring, ring? (2x)  
Oh baby ring, ring, hey, hey  
Why don't ring, ring, yeah?

Is it so hard to just dialing my number?  
Just a message to say you're coming over  
Where Cupid got me feels like lightening and thunder  
And I can't help falling 'cause you ain't been calling no more  
(You ain't been calling no more) You ain't been calling no more  
(You ain't been calling no more) You ain't been calling no more  
Ouh

Why don't you ring? (Baby won't to call, won't to pick up the phone)  
Ring Ring A Ding Ding  
Sittin' by the phone anticipating (Baby I'm so lonely, lonely to be all  
Alone)  
If you only knew (if you only knew) the pain you're puttin' through  
(pain you puttin' through)  
Oh Baby you would ring ring a ding ding

Why don't you call me?  
Why don't you pick up the phone?  
Ouh I know I said something baby  
And You said something  
But shhh! We've gotta work it out right now!  
Oh, Cuz, when a man loves a woman  
A woman loves a man

Oh, you know you've got to fight for your love  
Now pick up the phone and call me!

Oh I'm knackered after that.
