

The Worst Is Over

Laura Izibor

This too will pass
What you feel inside won't last
I know how you're feeling
I've been there before
He broke your heart
And left you crying
All the while he was lying

Gave him your body
Gave him your soul
Gave him your mind
And your secrets you told for nothing
But the worst is over now

Seems there's no end
To what you're feeling
Inside you're screaming
He's no good for you, baby you know it
Says he loves you but he can't show it
Is this really what you want

Gave him your body
Gave him your soul
Gave him your mind
And your secrets you told for nothing, baby
But the worst is over now

It's hard loving somebody
You know is bad for you
Try walking away
There ain't nothing you can do
You keep a-walking
He'll keep a-talking you ?round again
This time you gotta leave him behind
And you've said goodbye and that means
The worst is over now
