The Worst Is Over

Laura Izibor

This too will pass What you feel inside won't last I know how you're feeling I've been there before He broke your heart And left you crying All the while he was lying

Gave him your body Gave him your soul Gave him your mind And your secrets you told for nothing But the worst is over now

Seems there's no end To what you're feeling Inside you're screaming He's no good for you, baby you know it Says he loves you but he can't show it Is this really what you want

Gave him your body Gave him your soul Gave him your mind And your secrets you told for nothing, baby But the worst is over now

It's hard loving somebody You know is bad for you Try walking away There ain't nothing you can do You keep a-walking He'll keep a-talking you ?round again This time you gotta leave him behind And you've said goodbye and that means The worst is over now
