

# Finally Me

Laura Marano

Hey hey  
Uh-huh  
Hey hey  
Uh-huh  
Hey hey  
Yeah  
I'm finally me

I've never felt this before  
I'm not afraid anymore  
Been writing words on a page  
'Cause I got so much to say  
And now I'm taking the stage  
Woah

I'm getting ready to fly  
I know it's my time to shine  
Don't care if I'll make mistakes  
I'll do whatever it takes  
'Cause I got so much to say  
Woah

I'm finally me  
Got everything I need  
What you get is what you see,  
I, I, I'm finally me  
And I've never felt so free  
There's no one else that I'm trying to be  
I'm finally me

Hey hey uh-huh  
Hey hey uh-huh  
Hey hey, yeah  
I'm finally me

I'm stepping out of my shell  
Feels good just being myself  
Not scared to show what's inside  
I'll put it all on the line  
'Cause I got nothing to hide  
Woah

I'm finally me  
Got everything I need  
What you get is what you see,

I, I, I'm finally me  
And I've never felt so free  
There's no one else that I'm trying to be  
I'm finally me

Hey hey uh-huh  
Hey hey uh-huh  
Hey hey, yeah  
I'm finally me

Hey hey uh-huh

Hey hey uh-huh  
Hey hey, yeah

I've got quirks but they work  
I've learned to love those things, yeah  
You don't have to be anyone but you  
So let me hear you sing

I'm finally me  
Got everything I need  
What you get is what you see,  
I, I, I'm finally me  
And I've never felt so free  
There's no one else that I'm trying to be  
I'm finally me

Hey hey uh-huh  
Hey hey uh-huh  
Hey hey, yeah  
I'm finally me

Hey hey uh-huh  
Hey hey uh-huh  
Hey hey, yeah  
I'm finally me
