

# You Can Come To Me

Laura Marano

[Ally:]

When you're on your own  
Drowning alone  
And you need a rope  
That can pull you in  
Someone will throw it

[Austin:]

And when you're afraid  
That you're gonna break  
And you need a way  
To feel strong again  
Someone will know it

[Austin & Ally:]

And even when it hurts the most  
Try to have a little hope  
That someone's gonna be there when you don't  
When you don't

If you wanna cry, I'll be your shoulder  
If you wanna laugh, I'll be your smile  
If you wanna fly, I will be your sky  
Anything you need that's what I'll be  
You can come to me

[Ally:]

You struggle inside  
Losing your mind  
Fighting and trying to be yourself  
When somebody lets you

[Austin & Ally:]

Out in the cold  
But no where to go  
Feeling like no one could understand  
Then somebody gets you

So take a breath and let it go  
And try to have a little hope  
'Cause someone's gonna be there when you don't  
When you don't

If you wanna cry, I'll be your shoulder  
If you wanna laugh, I'll be your smile  
If you wanna fly, I will be your sky  
Anything you need that's what I'll be  
You can come to me

[Ally:]

Like a chain that never breaks  
Like a truth that never bends  
Like a glue that takes a broken heart and puts it back  
again  
It's the feeling that you get  
It's the moment that you know  
That no matter what the future holds

You'll never be alone

[Austin & Ally:]

If you wanna cry, I'll be your shoulder  
If you wanna laugh, I'll be your smile  
If you wanna fly, I will be your sky  
Anything you need that's what I'll be  
If you wanna climb, I'll be your ladder  
If you wanna run, I'll be your road  
If you want a friend, doesn't matter when  
Anything you need that's what I'll be  
You can come to me

[Ally:]

You can come to me  
Yeah
