

# La La Means I Love You

Laura Nyro

Many loves have come to you  
With a line that wasn't true  
And then you passed them by, (passed them by)  
While you're in the center ring,  
And their lines don't mean a thing,  
Why don't you let me try? (let me try)  
I don't have a diamond ring  
I don't even know what song to sing,

All I know is  
La la la la la la la la la  
Means I love you  
All I know is  
La la la la la la la la la  
Means I love you

If there ever was a love  
That I needed in this world  
You are the one for me (one for me)  
Let me hold you in my arms  
Thrill you with my charms  
Darling, then you'll see, (you will see)  
The things that I'm saying are true  
And the way I'll explain them to you  
Listen to me,

La la la la la la la la la  
Means I love you  
La la la la la la la la la  
Means I love you

Things I am saying are true  
And the way I explain it to you  
Yes to you,  
Listen to me,  
La la la la la la la la la  
Means I love you  
La la la la la la la la la  
Means I love you
