

Silver was the color  
Winter was a snowbell  
Mother of the wind boys  
Livin' off the lovewell

With Lu  
And everybody's callin' Luie  
Luie, Luie  
You got a thing about you  
Keep the light goin' for Luie  
And Luie keeps on pushin' through  
Through  
Keeps on pushin'

Amber was the color  
Summer was a flameride  
Cookin' up the noon roads  
Walkin' on god's good side  
I was walkin' on god's good side  
God's good side

Through  
He keeps on pushin'

I will always be fair  
Be there for Lu  
Forever and ever more  
Everybody  
Everybody everybody  
Yeah! Yeah! Yeah!

And everybody's callin' Luie  
Callin' Luie  
Everybody's callin' Luie callin'  
My man  
My man Luie

Callin' Luie  
My man Luie  
Callin' Luie  
Callin' Luie  
Luie  
People and the captain  
Callin' my man Luie
