

Luckie

Laura Nyro

Yes, I'm ready, so come on, Luckie

Well, there's an avenue of Devil who believe in stone
You can meet the captain at the dead-end zone
What Devil doesn't know is that Devil can't stay
Doesn't know he's seen his day

Oh, Luckie's taking over and his clover shows
Devil can't get out of hand
'Cause Luckie's taking over
And what Luckie says goes

Dig them potatoes
If you've never dug your girl before
Poor little Devil, he's a backseat man
To Luckie forever more

Yes, I'm ready, so come on, Luckie
Luckie inside of me, inside of my mind, inside of my mind

Don't go falling for Naughty
Don't go falling for Naughty
He's a dragon with his double bite
Sure can do his shortchanging out of sight
An artist of a sort but a little bit short of luck, this lucky night

Oh, Luckie's taking over and his clover shows
Devil can't get out of hand
'Cause Luckie's taking over
And what Luckie says goes

Dig them potatoes
If you've never dug your girl before
Poor little Naughty, he's a backseat man
To Luckie forever, a backseat man
To Luckie, hey, hey, hey
It's a real good day to go get Luckie, go get Luckie

I'm gonna go get Luckie
I'm gonna go get Luckie
I'm gonna go get, I'm gonna go get
I'm gonna go get Luckie

You gotta go, get on down, let 'em get away
You gotta go, get on down, let 'em get away
You gotta go, get on down, let 'em get away, yeah from you

Yeah yeah, from you, yes,
Yes, I'm ready, yes, I'm ready, ready for Luckie
