Save The Country

Come on, people! Come on, children! Come on down to the glory river Gonna wash you up, and wash you down Gonna lay the devil down, gonna lay that devil down

Come on, people! Come on, children! There's a king at the glory river And the precious king, he loved the people to sing Babes in the blinkin' sun sang, "We shall overcome"

And I got fury in my soul Fury's gonna take me to the glory goal In my mind I can't study war no more Save the people! Save the children! Save the country now!

Come on, people! Come on, children! Come on down to the glory river Gonna wash you up and wash you down Gonna lay the devil down, gonna lay that devil down

Come on people! Sons and mothers! Keep the dream of the two young brothers Gonna take that dream and ride that dove We can build the dream with love, I know We could build the dream with love

We could build the dream with love, I know We could build the dream with love

And I got fury in my soul Fury's gonna take me to the glory goal In my mind I can't study war no more Save the people! Save the children! Save the country!

Save the country! Save the country! Save the country!
