One More Time

Laura Pausini

How can you stand there smilin' After all you've done You know it seems to make you happy When you've hurt someone Twice before you fooled me With your deceivin' and lyin' Come in and close the door One more time, one more time

Yeah you've been gone so long No one knows where And you say that you still love me Then show me you care 'Cause you got what it takes sweet mama To make a man feel fine So I'll take the word of a liar One more time, one more time

Girl you've got me hungry Losin' my mind I know I'm playin' with fire Get burned everytime Yes I'm a fool for you baby I can't deny But I got to have your sweet love One more time, one more time

Girl you've got me hungry Losin' my mind I know I'm playin' with fire I get burned everytime Yes I'm a fool for you mama I can't deny But I got to have your sweet love One more time, one more time

Yes I'm her fool once more I can read her brown eyes But when the rooster crows tomorrow Well its her turn to cry I'm headed down that old road She lost her free ride So tonight I'll take what I paid for One more time, one more time One more time
