

# You Are Love

Laura Story

You are justice for every oppression  
You're forgiveness for every confession  
You are beauty, goodness, blessing  
You are love

You are healing for every sickness  
You are power in every weakness  
You are mighty, holy, faithful,  
You are love

O God of the Heavens  
You descended from your throne  
Gave Your Son for our ransom  
And by this all men will know that You are love.

We were thirsty, you gave us water  
We were orphans, now you are our Father  
We were desperate, hungry, seeking  
You are love

Everlasting, Never ending  
All consuming, You are love
