

Your Name Will Be Praised

Laura Story

From the rising sun
To the end of the day
Your name will be praised, Jesus
Your name will be praised

From the prophets of old
To the mouths of babes
Your name will be praised, Jesus
Your name will be praised

Glory to You, exalted One
Who gave Your life away
Glory to You, our risen King
Jesus, Your name will be praised
Your name will be praised

For the gift of new life
For Your mercies each day
Your name will be praised, Jesus
Your name will be praised

Through the darkest of nights
When we can't find our way
We will walk by faith not sight, Lord
And Your name will be praised

Glory to You, exalted One
Who gave Your life away
Glory to You, our risen King
Jesus, Your name will be praised
Your name will be praised

For who You are
For what You've done
For what You've yet to do
The song we raise
This day we proclaim
All glory to You, all glory to You

Exalted One who gave Your life away
Glory to You, our risen King
Jesus, Your name will be praised
Your name will be praised
Your name will be praised
