

Finster Saw the Angels

Laura Veirs

Here's to real emotion
Here's to tears I've cried
Your wheels are now in motion
I tried to stop you, I tried

Finster saw the angels
Flying day and night
Finster saw the angels
Oh why can't I?

Oh hand of love
Come guide me
Hold my trumpet up
In the sky

Are you goin' back to Georgia?
Or back to Tennessee?
I'll be rooting' for ya'
And you for me

Born in Alabama
He built a paradise
Finster saw the Angels
Flying day and night

Oh hand of love
Come guide me
Hold my trumpet up
In the sky

Oh hand of love
Come guide me
Hold my trumpet up
In the sky
