

Flat On The Floor

Lauren Alaina

I'm flat on the floor with my head down low
Where the sky can't rain on me anymore.
Don't knock on my door 'cause I won't come
I'm hiding from the storm till the damage gets done.

Baby, baby, baby baby tell me why
You got to make me, make me, make me cry
If I told you once I told you a thousand times
You can't knock me off my feet
When I'm already on my knees.

'Cause I'm flat on the floor with my head down low
Where the sky can't rain on me anymore.
Don't knock on my door cause I won't come
I'm hiding from the storm till the damage gets done

Hey yeah yeah eh eh
Baby, baby, baby, baby tell me how
You think your gonna live without my love now.
I don't know why you got to keep coming around
Creeping up my street, now honey you can't bother me.

'Cause I'm flat on the floor with my head down low
Where the sky can't rain on me anymore.
Don't knock on my door 'cause I won't come
I'm hiding from the storm till the damage gets done.

You ain't gonna get to me tonight
I'll wait right here till it all goes through
I ain't gonna raise my body till there ain't no sign
Till there ain't no sign, till there ain't no sign of you

'Cause I'm flat on the floor with my head down low
Where the sky can't rain on me anymore.
Don't knock on my door 'cause I won't come
I'm hiding from the storm till the damage gets

I'm flat on the floor with my head down low
Where the sky can't rain on me anymore.
Don't knock on my door 'cause I won't come
I'm hiding from the storm till the damage gets done.

Now, 'm flat on the floor with my head down low
Where the sky can't rain on me anymore.
Don't knock on my door 'cause I won't come
I'm hiding from the storm till the damage gets done

Yeah hey
Don't knock on my door
I'm hiding from the storm till the damage gets done.
