

# I'm Not One of Them

Lauren Alaina

Oh yeah, boy  
You pull up in that jacked-up ride  
Open the door on the passenger side  
There's a lot of girls who might  
Wanna climb inside  
But I'm not one of them

You start flashing that country boy grin  
And your big city money clip  
There's a lot of girls who'd love to go cashing in  
But I'm not one of them

Baby, baby  
You're gonna have to do better than that  
If you want my love  
You gotta give me some back  
Give me something real  
Not another come on, baby, come on  
There's a lot of girls who might  
Just fall for what you got  
But I'm not one of them

Now some may get into your kind of thing  
That only you can make their little hearts sing  
Well, you can go on thinking what you want to think  
I'm not one of them

Baby, baby  
You're gonna have to do better than that  
If you want my love  
You gotta give me some back  
Give me something real  
Not another come on, baby, come on  
There's a lot of girls who might  
Just fall for what you got  
But I'm not one of them

I'm not some notch  
On your Facebook wall  
And I'm not some last chance  
Midnight call

Baby  
You're gonna have to do better than that  
If you want my love  
You gotta give me some back  
Give me something real  
Not another come on, baby, come on, yeah

You're gonna have to do better than that  
If you want my love  
You gotta give me some back  
Give me something real  
Not another come on, baby, come on  
There's a lot of girls  
Who might just fall for what you got  
But I'm not one of them

I'm not one of them
