## **Road Less Traveled**

Lauren Alaina

Why do you keep on staring? That mirror, mirror, it ain't fair at all (mm-mm) Dress sizes can't define, don't let the world decide what's beautiful No

You won't make yourself a name if you follow the rules History gets made when you're acting a fool So don't hold it back and just run it Show what you got and just own it No, they can't tear you apart

If you trust your rebel heart, ride it into battle Don't be afraid, take the road less traveled Wear out your boots and kick up the gravel Don't be afraid, take the road less traveled on Oh, ooh-whoa, oh, ooh-whoa Take the road less traveled on

Don't follow anyone, March to the rhythm of a different drum Why do we analyze, break out, and criticize the crazy ones? Oh

You won't make yourself a name if you follow the rules History gets made when you're acting a fool So don't hold it back and just run it Show what you got and just own it No, they can't tear you apart, no

If you trust your rebel heart, ride it into battle Don't be afraid, take the road less traveled Wear out your boots and kick up the gravel Don't be afraid, take the road less traveled on Oh, ooh-whoa, oh, ooh-whoa Take the road less traveled on Oh, ooh-whoa, oh, ooh-whoa Take the road less traveled on

Put your hands up, show me that you're one of a kind Put your hands up, let me hear your voice tonight Oh

If you trust your rebel heart, ride it into battle Don't be afraid, take the road less traveled Wear out your boots and kick up the gravel Don't be afraid, take the road less traveled on

If you trust your rebel heart, ride it into battle Don't be afraid, take the road less traveled Wear out your boots and kick up the gravel Don't be afraid, take the road less traveled on Oh, ooh-whoa, oh, ooh-whoa Take the road less traveled on

Wear out your boots and kick up the gravel Don't be afraid, take the road less traveled on Traveled on Take the road less traveled on
