

# More Than You

Lauren Aquilina

Why is it always you  
I come running back to  
When I have a vacant heart?  
Where am I going wrong?  
I've wanted you for too long  
I can't seem to restart

Had my piece of you  
My fifteen minutes of shame  
It was hell what I went through  
Why do I wanna do it all again?

I don't know why I'm still here  
You've had me chasing you for years  
I don't know why I still care  
But I do

I don't know what it is you've got  
That I seem to want so much  
But whatever it is it's stolen away my soul  
I've never wanted anything more than you  
More than you

I painted my face for you  
Just like you asked me to  
Like the other girls  
You stole the sun from the sky  
Sung me a lullaby  
We were on top of the world

You left and then acted like  
We never existed  
Do you know how hard I tried  
To be everything you wanted?

I don't know why I'm still here  
You've had me chasing you for years  
I don't know why I still care  
But I do

I don't know what it is you've got  
That I seem to want so much  
But whatever it is, it's stolen away my soul  
I've never cried over anyone more than you

I don't know why I'm still here  
You've had me chasing you for years  
I don't know why I still care  
But I do

I don't know what it is you've got  
That I seem to want so much  
But whatever it is, it's stolen away my soul  
I've never wanted anything more than you  
More than you
