

You Make Me Laugh

Lauren Christy

[Chorus:]

You make me laugh

You make me cry

You make me roll around the floor until I die

God only know the reason why

You make me laugh

When you're shaving off your hair

When you're in your underwear

You're smarter than the average bear

You're so impossible

Oh ooh

[Repeat chorus]

I'd like to see you naked

Before your clothes go out of style

You're so impossible

Oh ooh

[Repeat chorus]
