

# Loyal

Lauren Daigle

I could never earn Your heart  
I could never reach that far  
But You have pulled me close  
You've never let me go  
I'm safe forever in Your arms  
Your promises I can not break  
And I know You will never change

Your love is, Your love is  
Your love is loyal  
Your love is, Your love is  
Your love is loyal  
More faithful than the rising sun  
This grace for me I can't outrun  
Your love is, Your love is  
Your love is loyal

You are always there for me  
You listen every time I speak  
You look into my eyes  
You see the things I hide  
And say that You will never leave  
Your promises I can not break  
And I know You will never change

Your love is, Your love is  
Your love is loyal  
Your love is, Your love is  
Your love is loyal  
More faithful than the rising sun  
This grace for me I can't outrun  
Your love is, Your love is  
Your love is loyal

When my world shakes  
Your love remains unshaken  
So constant, so perfect, unwavering  
When my world falls  
Your love remains unfailing  
So constant, so perfect, unwavering  
So constant, so perfect, unwavering

Your love is, Your love is  
Your love is loyal  
Your love is, Your love is  
Your love is loyal  
Your love is, Your love is  
Your love is loyal  
More faithful than the rising sun  
This grace for me I can't outrun  
Your love is, Your love is  
Your love is loyal
