

# Don't Wanna Be Your Girl

Lauren Hoffman

Now I've got  
Your voice in my head  
I've got  
Your weight on my chest  
Tear free  
I don't wanna be  
Your girl

Do you stay  
'cause I run away  
Do I look pretty  
From so far away  
Maybe if you  
Don't look at me  
Don't look at me  
La-la-la-la la-la-la-la-la  
La-la-la-la la-la-la-la-la  
I don't wanna be  
Your girl

We kissed but then we missed the point  
I'm not here to sign something  
If I leave tomorrow  
If I leave next year  
Would you still be here  
Still be here

When you lie at my feet  
Do you want me kick you  
Or lie down beside you  
Oh-ho  
You lie at my feet  
And you want me to kiss you  
You know I won't  
No I won't

We kissed but then we missed the point  
I'm not here to sign something  
If I leave tomorrow  
If I leave next year  
Would you still be here  
Still be here

You lie at my feet  
And you want me to kiss you  
You know I won't  
No I won't  
You lie at my feet  
And you want me to kiss you  
But I don't wanna be your girl
