

Just Be Friends

Lauren Hoffman

I've lost my security
Can't call you on the phone now
And that old familiar fear's in me
I'm gonna be alone, now

I wish I could revise
All my vows of never ending fate has closed your eyes
And you said, "let's just be friends"

My face just doesn't feel the same
If you don't think it's beautiful anymore
And I don't want to hear my name
You're not going to say it, anymore

I wish I could revise
All my vows of never ending fate has closed your eyes
You said, "let's just be friends"
You said, "this is the end"

Watch as pieces of me hit the ground
Take your aim and shoot another round
Better go before you mow me down

Yes I guess I get the point
Yes I guess I get the point now

I wish I could revise
All my vows of never ending fate has closed your eyes
You said, "let's just be friends"

Yeah I wish I could rewind
Seven days and change the ending fate has closed your eyes
You said, "let's just be friends"
And you said, "let's just be friends"
And you said, "this is the end"
