

Termite

Lauren Hoffman

This house is full
Of insects and rodents
I shiver in my sleep
I shiver as they creep

Hey sneaky, little friend
Come and chomp on me again
Come and eat me up again

Ba de la de la de la
Ba de la de la de la
Ba de la de la de la ha-ah ah

You're too tiny to see
But you're penetrating deep
You're infiltrating me

And to stay alive,
You've contrived a plan to confiscate my land
And fill it up with sand

Ba de la de la de la
Ba de la de la de la
Ba de la de la de la ha-ah ah

I'm tired of being food for the enemy and I'm
Fighting back with might
I'm coming for you termite
I'm coming for you
