I don't wanna work today
Maybe I just wanna stay
Just take it easy cause there's no stress

I know it's not an other crime
Something pleasure in my mind
Nothing can cause me distressed

I texted my baby on her phone
How to get her sexy body on
That's the way I wanna spend my day

Got to find another "bide"
Cause I don't wanna waist my time
I don't feel distressed

It's the kind of "maizing"
I think I'm just crazy

No need to fight against the feelings
Because the laugh in not depressing
No stress

I don't wanna work today
