

## In Our Sleep

Laurie Anderson

In our sleep as we speak  
Listen to the drums beat  
As we speak

In our sleep as we speak  
Listen to the drums beat  
In our sleep

In our sleep as we speak  
Listen to the drums beat  
As we speak

As we speak in our sleep  
Listen to the drums beat  
In our sleep

In our sleep as we speak  
Listen to the drums beat  
As we speak

In our sleep as we speak  
Listen to the drums beat  
In our sleep

In our sleep where we meet  
In our sleep where we meet
