Night In Baghdad

Laurie Anderson

And oh it's so beautiful It's like the Fourth of July It's lie a Christmas tree It's like the fireflies on a summer night.

And I wish I could describe this to you better. But I can't talk very well now Cause I've got this damned gas mask on. So I'm just going to stick this microphone out the window And see if we can hear a little better. Hello California? What's the weather like out there now?

And I only have one question: Did you ever really love me? Only when we danced. And it was so beautiful. It was like the Fourth of July. It was like fireflies on a summer night.
