

## Strange Angels

Laurie Anderson

They say that heaven is like TV  
A perfect little world that doesn't really need you  
And everything there is made of light  
And the days keep going by  
Here they come  
Here they come  
Here they come.

Well it was one of those days larger than life When your friend  
s came to dinner and they stayed the night  
And then they cleaned out the refrigerator  
They ate everything in sight  
And then they stayed up in the living room  
And they cried all night  
Strange angels - singing just for me  
Old stories - they're haunting me  
This is nothing like I thought it would be.

Well I was out in my four door with the top down. And I looked  
up and there they were:  
Millions of tiny teardrops just sort of hanging there  
And I didn't know whether to laugh or cry  
And I said to myself: What next big sky?  
Strange angels - singing just for me  
Their spare change falls on top of me  
Rain falling  
Falling all over me  
All over me  
Strange angels - singing just for me  
Old Stories - they're haunting me  
Big changes are coming  
Here they come  
Here they come.
