

## Sweaters

Laurie Anderson

I no longer love your mouth.  
I no longer love your eyes.  
I no longer love your eyes.  
I no longer love the color of your sweaters.  
I no longer love it.  
I no longer love the color of your sweaters.  
I no longer love the way you hold your pens and pencils.  
I no longer love it.  
Your mouth.  
Your eyes.  
The way you hold your pens and pencils.  
I no longer love it.  
I no longer love it.
