

## Ex-Factor

Lauryn Hill

It could all be so simple  
But you'd rather make it hard  
Loving you is like a battle  
And we both end up with scars  
Tell me, who I have to be  
To get some reciprocity  
No one loves you more than me  
And no one ever will

Is this just a silly game  
That forces you to act this way  
Forces you to scream my name  
Then pretend that you can't stay  
Tell me, who I have to be  
To get reciprocity  
No one loves you more than me  
And no one ever will

No matter how I think we grow  
You always seem to let me know  
It ain't workin'  
It ain't workin'  
And when I try to walk away  
You'd hurt yourself to make me stay  
This is crazy  
This is crazy

I keep letting you back in  
How can I explain myself  
As painful as this thing has been  
I just can't be with no one else  
See I know what we've got to do  
You let go and I'll let go too  
'Cause no one's hurt me more than you  
And no one ever will

Care for me, care for me  
I know you care for me

There for me, there for me  
Said you'd be there for me

Cry for me, cry for me  
You said you'd die for me

Give to me, give to me  
Why won't you live for me
