

## Open Your Heart

Lavender Diamond

Well the streets are low when you have to go  
Where are you runnin' to?  
Where are you runnin' to?

Well the streets are low when you have to go  
Where are you runnin' to?  
Where are you runnin' to?

Open your heart  
Tear it apart  
Open your heart  
Tear it apart

Well the streets are low when you have to go  
Where are you runnin' to?  
Where are you runnin' to?

Well the streets are low when you have to go  
Where are you runnin' to?  
Where are you runnin' to?

Open your heart  
Tear it apart  
Open your heart  
Tear it apart

Well the streets are low when you have to go  
Where are you runnin' to?  
Well the streets are low when you have to go  
Where are you runnin' to?

Open your heart  
Tear it apart
