

# If You Love Me

LaVern Baker

If you love me, if you love me  
If you love me

If the sun should tumble from the sky  
If the sea should suddenly run dry  
If you love me, really love me  
Let it happen, I won't care

If it seems that everything is lost  
I will smile and never count the cost  
If you love me, really love me  
Let it happen, darling, I won't care

Shall I catch a shooting star  
Shall I bring it where you are  
If you want me to, I will  
(If you want me to, I will)

You can set me any task  
I'll do anything you ask  
If you'll only say you  
Love me still (love me still)

When at last our life  
On Earth is through  
I will share eternity with you  
If you love me, really love me  
Let it happen, darling, I won't care  
Let it happen, darling, I won't care

I won't care, I won't care
