If you love me, if you love me If you love me

If the sun should tumble from the sky If the sea should suddenly run dry If you love me, really love me Let it happen, I won't care

If it seems that everything is lost I will smile and never count the cost If you love me, really love me Let it happen, darling, I won't care

Shall I catch a shooting star Shall I bring it where you are If you want me to, I will (If you want me to, I will)

You can set me any task
I'll do anything you ask
If you'll only say you
Love me still (love me still)

When at last our life
On Earth is through
I will share eternity with you
If you love me, really love me
Let it happen, darling, I won't care
Let it happen, darling, I won't care

I won't care, I won't care
