

# Absolute Power

Lazarus A.D.

Carry out the eradication  
A relentless disease  
You shut em down  
Keep em down  
On the path to destroy  
Everything they believed  
You can't escape this  
Everything was a lie  
You can't control this  
With everything you must die

The writing on the wall  
An empire due to crumble down  
And I will not stand alone in vain  
Deeper and deeper it fades away  
A soul decayed  
Divide and conquer now  
It can't keep us down

You can't bring me  
Down  
Before  
We're stronger than any war  
You keep running your mouth in my face  
And I can't take it anymore  
Their heads to save  
For this deceit filled grave  
Cast a shadow over me  
Nevermore  
Shut them down  
Keep them down  
Deliverance to the distressed  
The fate of existence  
To a tyrant of justice  
Let the new eradication begin

The writing on the wall  
An empire due to crumble down  
And I will not stand alone in vain  
Deeper and deeper it fades away  
A soul decayed  
Divide and conquer now  
It can't keep us down
